CHÂTEAU MAUPAGUE

Côtes de Provence
Sainte Victoire

2018

90 points by Roger Voss from Wine Enthusiast Magazine "This full-bodied wine is one of those rosés that needs some aging. It has ripe, structured red fruits as well as acidity and a touch of tannin. The wine is likely to be ready to drink from late 2019"

Commended at Decanter 2019

Commended of the International Wine challenge 2019.

◇ TERROIR

Located in the upper basin of the Arc, the terroir is composed of scree and clay-sandstone from the Late Cretaceous period, with colluvial deposits from the surrounding hills.

The etymology of the name "Maupague" (meaning "giving little"), and the geological characteristics of the soil make this property particularly well-suited to the growing of grapes; there have been vines here for many generations.

◇ VINEYARD

Average age of vines: 20 years

Grenache 70%

Cinsault 30%

Yield: 50 hl/ha.

Sustainable farming

Vegan wine

◇ VINIFICATION

18 days of cold tank stabilisation at 4° C in pre-fermentation phase, then temperature-controlled fermentation in stainless steel vats.

◇ TASTING NOTES

A subtle nose of hawthorn and apricot. Well balanced with lengthy aromas of stone fruit and clementine.

◇ MATCHING FOOD & WINE

Lobster salad, asparagus and parmesan risotto, tempuras, roasted chicken.
